About Ennoia

Ennoia is a design and strategy studio that crafts brands with clarity, intention, and timelessness.

We believe that a strong identity is more than how a brand looks – it's how it thinks, communicates, and creates impact.

We partner with forward – thinking businesses to build meaningful brands that are rooted in purpose and designed to last.

WHO WE ARE

Designers.
Strategists.
Brand Builders.

WHAT WE DO

Brand Strategy.
Visual Identity.
Experience Design.

WHY WE DO IT

To create clarity.
To inspire connection.
To build lasting value.

Vision & Mission

Our vision decides the future we strive to create.
Our mission guides the actions take every day to move toward that future.

VISION

To be a globally respected design and strategy studio that shapes meaningful brands and inspires lasting impact.

MISSION

To craft clear, intentional and timeless brand identities that help forward – thinking businesses connect, communicate and grow.

Core Values

The beliefs that guide every decision, shape every solution, and define how we show up.

CLARITY

We simplify complexity and make the essential impossible to ignore.

CRAFTMANSHIP

We obsess over the details so the big ideas land beautifully.

CURIOSITY

We question, learn, and stay relentlessly open - minded.

STRATEGIC DEPTH

We think positionally, read the whole board, and move with intent.

INTEGRITY

We are honest in thought, transparent in process, and consistent in word.

COLLABORATION

We believe the best ideas are built together, with truth and respect.

Brand Personality

How we think, speak and show up in the world.
Our personality is the feeling people get
when they experience Ennoia.

STRATEGIC

We think ahead, connect
the dots, and make
moves that matter.

FOCUSED

We cut through noise
and obsess over what
truly moves the needle.

UNDERSTATED

We are confident
without being loud.
Substance over show.

INSIGHTFUL

We see what others
miss and turn insight
into advantage.

INTENTIONAL

Every detail is deliberate.
Nothing is random,
everything has purpose.

COLLABORATIVE

We believe the best ideas
are built together, with
truth and respect.

Positioning

We don't follow the obvious path.
We read the whole board, see what other miss
and make the move that changes the outcome.

NON-LINEAR THINKING

We challenge linear thinking
and find the moves others
don't see.

WHOLE PICTURE

We hold the entire context
in mind before acting –
details with direction.

DISTINCT MOVES

We create strategies that are
sharp, original, and built to
create impact.

MEASURABLE IMPACT

Every move we make is
intentional, accountable,
and built to deliver.

Logo System

Our logo is the visual cornerstone of Ennoia.
it carries our ideas, our intent,
and the promises we stand for.

This section defines the structure,
usage, and protection of our logo -
ensuring consistency across every thought.

Logo Story

Our logo is more than a mark.
It is a visual expression of Ennoia's
purpose, perspective and promise.

INSPIRED BY PERSPECTIVE

The open form represents a shift in
viewpoint—seeing beyond the obvious
to uncover what truly matters.

BUILT FOR IMPACT

Clean, confident, and timeless—
designed to lead, adapt, and endure.

NON-LINEAR THINKING

We challenge linear thinking
and find the moves others
don't see.

A MARK OF ENNOIA

Simple in form. Deep in
meaning. Made to be remembered.

OPEN PERSPECTIVE

The open corner signifies
curiosity, exploration,
and a mindset that's
always evolving.

+

UNITY & WHOLENESS

The circle embodies
completeness, connection,
and our belief in
holistic thinking.

=

ENNOIA

Where perspective meets
purpose. A timeless mark
that carries our
identity forward.

Logo Construction

Our logo is built on balance, proportion, and intentional geometry. Every element is considered. Nothing is random.

GEOMETRIC FOUNDATION

The logo is constructed using perfect circles, consistent angles, and a modular grid system.

BALANCED PROPORTIONS

The relationship between the circles and the mark is mathematically balanced for visual harmony.

PRECISE ALIGNMENT

The construction eliminates unnecessary complexity and focuses on enduring form.

Logo Anatomy

Every part of our logo is intentional. Each element plays a role in creating a mark that is balanced, distinctive,, and timeless.

THE OPEN CORNER

The open corner reflects perspective, curiosity, and a shift in viewpoint.

THE HORIZONTAL STROKE

Represents clarity, direction, and a strong foundation.

THE VERTICAL STROKE

Symbolises strength, stability, and purpose.

THE NEGATIVE SPACE

The inner space creates balance and gives the mark its identity.

THE ENCLOSING SPACE

Signifies unity, wholeness, and a holistic approach.

Logo Grid

Our logo is build on a precise grid system to ensure consistency, proportion, and scalability across all applications.

MODULAR SYSTEM

The logo is constructed using a modular grid. All elements align to this system for visual harmony.

UNIT OF MEASURE

Represents clarity, direction, and a strong foundation.

SCALABLE & ADAPTIVE

Symbolises strength, stability, and purpose.

CONSISTENT ALIGNMENT

The inner space creates balance and gives the mark its identity.

Logo Lockups

Our logo lockups ensure flexibility across different applications while maintaining clarity, balance, and brand recognition.

CONSISTENT

Lockups maintain brand integrity across all formats and platforms.

FLEXIBLE

Multiple lockup options adapt to different spaces and layouts.

BALANCED

Carefully proportioned for visual harmony and readability.

SCALABLE

Designed to perform beautifully at any size or application.

01. PRIMARY LOCKUP

02. HORIZONTAL LOCKUP

03. ICON LOCKUP

04. STACKED LOCKUP

NOTE

Always use approved lockups. Do not alter proportions, spacing, or arrangement. Refer to clear space and minimum size guidelines.

Logo Clear Space

The clear space protects the logo from the visual clutter and ensures it stands out with clarity and confidence in every application.

PROTECT THE MARK

The clear space ensures the logo remains distinct and unobstructed.

VISUAL CLARITY

Maintains legibility and impact across all sizes and formats.

CONSISTENCY

Applies uniformly across all brand touchpoints

FLEXIBILITY

The clear space scales with the logo proportionally.

NOTE

Always maintain a clear space of "X" around the logo. No text, graphics, or other elements should enter this area.

Incorrect Uses

To protect the integrity and clarity of the Ennoia brand, the logo must always be used correctly.

Do not alter, distort or modify the logo in any way.

DO

Always use the approved logo files.
Maintain proportions, spacing, and colouring integrity.

DON'T

Avoid any of the examples shown here. These treatments weaken the brand and reduce recognition.

Color

Our color system is rooted in natural materials –
clay, stone and ink.

Color Philosophy

These aren't loud colors. They're meant to bring clarity, warmth and focus to the work we do.

GROUNDING

Earthly, natural tones bring a sense of stability and trust.

FOCUS

Low saturation reduces distraction, so the thinking and message lead.

TIMELESS

Inspired by natural materials that never go out of style.

BALANCE

A harmony of warm and neutral tones for a calm, confident presence.

● CLAY

● STONE

● INK

● SHADOW

● PAPER

Primary Palette

Our color palette is inspired by natural materials – clay, stone, ink and paper.

These colors form the foundation of our visual identity and should be used consistently across all brands touchpoints.

COLOR VALUES

Use the values shown here are for accurate digital and print reproduction. Never sample colors from screens.

COLOR	HEX	RGB	CMYK

Usage

A clear voice. Consistent application.
Every touchpoint should reflect
clarity, intelligence and intentionally.

Use these principles across all brands
communications – digital, print,
presentations and environment.

VOICE & TONE

Clear.Strategic.Confident
Never loud.

We speak with clarity and conviction.
We don't over promise. We think ahead.
We make complexity simple.

WRITING STYLE

Be clear

Use simple, direct language.

Be specific

Back ideas with insight and context.

Be concise

Say what matters. Leave the rest.

Be human

Write like a person, not like a brand.

APPLICATIONS

PRESENTATION

SOCIAL MEDIA

Visual Language

The visual system that brings the brand to life – how we use space, imagery, texture, color and composition.

Photography

Our photography is intentional, tactile and editorial. It captures strategy in the real world – calm, considered and quietly confident.

Photography Principles

NATURAL LIGHTING

Use soft, directional natural light whenever possible.

CONSIDERED COMPOSITION

Strong composition with breathing space. Nothing accidental.

HONEST TEXTURES

Real materials, real textures – clay, stone, paper, wood and fabric.

EARTHEN TONALITY

Warm, muted and grounded. No saturated or neon tones.

MINIMAL & PURPOSEFUL

Simple styling. Every element has a reason to be there.

Iconography

Our icon system is minimal, consistent and purposeful. It supports clarity without competing with content.

SIMPLE & CLEAR

Only essential lines.
No unnecessary details.

CONSISTENT STROKE

Monoline with rounded terminals.
Same stroke across all terminals

GEOMETRIC & BALANCED

Built on a simple grid for
optical balance.

PURPOSEFUL

Designed to communicate
meaning at a glance.

EARTHEN EXPRESSION

Reflect's the brand's calm
considered and grounded
tone.
